

## **Sessional Instructor Opening – Winter 2018**

**Position Type** Term Certain < 12 months

**Education Required** PhD

The Faculty of Arts invites applications for a term certain *Sessional Instructor* position within The School of Public Policy to teach:

PPOL 611.16 – Climate Change and Policy Making in Canada - in the Master of Public Policy program. This course is scheduled for the W2018 term (January 8, 2018 – April 26, 2018) on Mondays from 9:00 am – 11:50 am.

PPOL 611.16 - students are introduced to the political and governance aspects of climate change policy in Canada. Includes investigation of climate change policy instruments such as carbon pricing, regulations and voluntary measures, as well as the unique characteristics of climate change policy making in Canada. Case studies at the provincial and federal level are used. The course provides practical knowledge and skills useful for the design and implementation of climate change policy.

### **Requirements**

The successful candidate must have a Ph.D. in Public Administration, Public Policy or Political Economy with specialization in climate change policy design and implementation. Research and practical experience in climate change policy at the provincial or federal level is an asset. Demonstrated evidence of teaching excellence in upper level university courses (preferably in Public Administration) is required.

Sessional positions are offered on a per course basis. Please see The Faculty Association of the University of Calgary (TUCFA) website at <http://www.ucalgary.ca/tucfa/> for further information regarding conditions of employment and remuneration.

Applicants must submit a cover letter, up-to-date curriculum vitae, evidence of teaching effectiveness, and three written letters of reference addressed to Dr. Robert Mansell, Academic Director, The School of Public Policy.

Applicants may submit the required application materials electronically to [rmansell@ucalgary.ca](mailto:rmansell@ucalgary.ca) by November 24, 2017.

Application documents can also be mailed or delivered (by November 27, 2017) to:

The School of Public Policy  
Office of the Academic Director  
5<sup>th</sup> Floor, 906 8<sup>th</sup> Ave. SW  
Calgary AB T2P 1H9

*The University of Calgary believes that a respectful workplace, equal opportunity and building a diverse workforce contribute to the richness of the environment for teaching, learning and research, and provide faculty, staff, students and the public with a university that reflects the society it serves.*

*All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. In this connection, at the time of your application, please answer the following questions: Are you a Canadian citizen or a permanent resident of Canada? (Yes/No)*

### **About the University of Calgary**

The University of Calgary is a leading Canadian university located in the nation's most enterprising city. The university has a clear strategic direction to be one of Canada's top five research universities, where innovative teaching and groundbreaking research go hand in hand, and where we fully engage the communities we both serve and lead. The strategy is called *Eyes High*, inspired by our Gaelic motto, which translates to 'I will lift up my eyes'.

To succeed as one of Canada's top universities, where new ideas are created, tested and applied through first-class teaching and research, the University of Calgary needs more of the best minds in our classrooms and labs. We're increasing our scholarly capacity by investing in people who want to change the world, bringing the best and brightest to Calgary to form a global intellectual hub and achieve advances that matter to everyone.

**About Calgary**

Named a cultural capital of Canada and one of the best places to live in the world, Calgary is a city of leaders - in business, community, philanthropy and volunteerism. Calgarians enjoy more days of sunshine per year than any other major Canadian city. Calgary is less than an hour's drive from the majestic Rocky Mountains and boasts the most extensive urban pathway and bikeway network in North America.
