

Sessional Instructor Opening – Winter 2019

Position Type Term Certain < 12 months

Education Required PhD

The Faculty of Arts invites applications for a term certain *Sessional Instructor* position within The School of Public Policy to teach PPOL 609 – Decision Analysis. This appointment will be for the term January 1, 2019 to April 30, 2019. PPOL 609 is a core course in the Master of Public Policy program and is taught from 5 pm to 7:50 pm on Wednesdays at the Downtown Campus during the W2019 term.

Course Description

PPOL 609 covers decision making in a complex environment influenced by a variety of factors including uncertainty, risk, different time frames, multiple objectives, interest group consensus and inconsistent time expectations among actors. The focus is on the foundations, applications and use of methods commonly used in decision making in the public and private sectors. Included are methods such as impact analysis, cost-benefit analysis, surveys, game theory and risk management tools. Classes will be a combination of lectures, class discussions and there will be assignments.

Requirements

The successful candidate must have a Ph.D. in Economics with specialization in an area such as Microeconomics, Industrial Organization, Regulatory Economics or Public Finance and standard decision analysis tools such as Cost Benefit and Impact Analysis. Demonstrated evidence of teaching excellence in upper level economics courses (preferably in Microeconomics, Decision Theory and Public Finance) is required.

Sessional positions are offered on a per course basis. Please see The Faculty Association of the University of Calgary (TUCFA) website at <http://www.ucalgary.ca/tucfa/> for further information regarding conditions of employment and remuneration.

Applicants must submit a cover letter, up-to-date curriculum vitae, evidence of teaching effectiveness, and three written letters of reference addressed to [Name]. Previous instructors are asked to ensure that information about their most recent term of employment and courses(s) taught is included.

Applicants may submit the required application materials electronically to rmansell@ucalgary.ca by June 22, 2018.

Application documents can also be mailed or delivered to:

The School of Public Policy
Office of the Academic Director
5th Floor, 906 8th Ave. SW
Calgary AB T2P 1H9

The University of Calgary believes that a respectful workplace, equal opportunity and building a diverse workforce contribute to the richness of the environment for teaching, learning and research, and provide faculty, staff, students and the public with a university that reflects the society it serves.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. In this connection, at the time of your application, please answer the following questions: Are you a Canadian citizen or a permanent resident of Canada? (Yes/No)

About the University of Calgary

The University of Calgary is a leading Canadian university located in the nation's most enterprising city. The university has a clear strategic direction to be one of Canada's top five research universities, where innovative teaching and groundbreaking research

go hand in hand, and where we fully engage the communities we both serve and lead. The strategy is called *Eyes High*, inspired by our Gaelic motto, which translates to 'I will lift up my eyes'.

To succeed as one of Canada's top universities, where new ideas are created, tested and applied through first-class teaching and research, the University of Calgary needs more of the best minds in our classrooms and labs. We're increasing our scholarly capacity by investing in people who want to change the world, bringing the best and brightest to Calgary to form a global intellectual hub and achieve advances that matter to everyone.

About Calgary

Named a cultural capital of Canada and one of the best places to live in the world, Calgary is a city of leaders - in business, community, philanthropy and volunteerism. Calgarians enjoy more days of sunshine per year than any other major Canadian city. Calgary is less than an hour's drive from the majestic Rocky Mountains and boasts the most extensive urban pathway and bikeway network in North America.
