Jean-Christophe Boucher is an Associate Professor at the School of Public Policy and at the Department of Political Science at the University of Calgary. His current work focuses on applied machine learning to understand how the digital world shapes our society. He is currently holding grants from the Department of National Defence (DND) to study information operations; the Social Science and Humanities Research Council (SSHRC) to understand civil-military relations in Canada; and holds grants from Alberta Innovates, the Vaccine Confidence Fund and Merck to study vaccine hesitancy on social media to develop better communications strategies and tools to increase vaccine uptake. He holds a BA in History from the University of Ottawa, a MA in Philosophy from the Université de Montréal and a PhD in Political Science from Université Laval. He specializes in international relations, with an emphasis on foreign policy, international security, and data analytics.
